**PRESIDENT'S MESSAGE**

Our regular touring season has come to a close. Our last formal meeting is over and we are settling in for a long hot summer. The next three months will be breakfast meetings only. They are all planned out, see schedule in this newsletter.

We have had a very busy and fun season with something going on for most everyone. I would like to get a list of touring and event ideas from all club members. This a good time to do some planning, for the fall for when we all get back together. With several new club members this season, hopefully we will get some new input.

This is a good time to get our T's in shape for the next touring season. Please give me a call if you want to schedule a clinic.

Have a safe and fun summer.        Ken

**CALENDAR OF EVENTS**

Thursday September 20<sup>th</sup> Next EVMTFCA meeting

---

---

The last Club meeting until Fall was opened at 7:00 by Club President Ken Henry with the Pledge of Allegiance to the Flag. There were 18 members present - no guests.

#### Administrative

- Treasurer's Report - Dave's report was short, sweet, and to the point (not many changes from last month).
- Vice President's Report - The same goes for Tom's report. No new members. We did discuss the venue for the June breakfast that he is in charge of which you'll read under "Events".
- Sunshine Report - Jan passed out the activity plaques since the last meeting and will be sending a card to Steve Linney who had emergency hernia surgery.
- Newsletter Report - Steve not at the meeting so no updates.

#### Events attended since our last meeting

- April 21, 2018 - Legacy Senior Center, [5625 E McKellips Rd, Mesa](#) - Austin attended with his Model-T and Burt was there with his Model-A.
- April 27-29, 2018 - Multi-club tour hosted by Montana - Austin & Lynn, Larry & Sandy, and Steve & Marilyn attended from our Club along with 14 or so others from Canyon Country. A nice gathering with a tour, picnic, pot luck dinner, etc. Since there were Indian dwellings across the river, it was suggested to "bring waders" in case anyone wanted an up close and personal look at the dwellings.... apparently there was no interest in getting wet. Austin will do a write-up for the Newsletter
- May 6, 2018 - Ice Cream Run - Baskin Robbins - In spite of it being a very HOT day, 17 members ventured outside, including 2 brave Model-Ts (Sandy & Larry Hart and Dave Veres). Very good "real" ice cream. It was mentioned that 6 members met at Joe's BBQ for lunch prior to ice cream and that triggered a discussion on the menu and the fact that you get \$10 off on your birthday. So Ken put on the calendar that we would go there as a group in February 2019 on his birthday!
- May 12, 2018 - Mesa Grande Cultural Park Museum - Another Hot day but this time 3 Model-Ts were there (once again Dave Veres along with John Peterson and Jeff Henry) and another 6 members in family cars (Marcia & Dale, the Allens, Jan Peterson and Tom Hoverson). It was an outside exhibit but a pleasant breeze made the weather doable. Afterwards, a great lunch at the Blue Adobe Grill. Again, Dale Guenther was volunteered to write the article about the day since his journalistic talent came to light after the arboretum visit.

#### Prior scheduled Events update

Breakfast events on the 3rd Saturday of each month. 8:00AM - 10:00AM. Hosts as follows:

- June 16th - Red Mountain Café - hosted by Tom Hoverson
- July 21st - What the Hell Bar & Grill - <http://whatthehellbar.com/breakfast/> , [7303 E Main St., Ste 115](#) in Mesa (a bit east of Power) - hosted by Bill & Kae Allen
- August 18th - Dennys - on Main St. near Signal Butte - hosted by Joe Fellin & Bernice Young

PLEASE NOTE: The breakfast dates of June 17, July 22, and August 19 in the EVFMTC website are in error as those are Sunday dates.

### Future Event Ideas

- Usery Pass picnic. Ruthann and Ken are looking to move it out a little later to get more of our winter visitors involved and it would also be cooler then.
- A weekend in Tucson
- February 17-22, 2019 will be the Model-T Club of America annual meeting and National tour in Sierra Vista, AZ. Registrations begin on Aug. 1st.
- Picnic at Papago Park
- USS Arizona exhibit at Arizona Capital Museum
- Tovrea Castle - Tom will check into this for more details.

### Entertainment

- Refreshments - Very tasty treats (root beer floats, etc) provided by Ken & Jeff Henry.
- Mini-Auction - A Model-T brass plaque went for \$11.00 with Ken as the winner.
- 50/50 Raffle - No one came forward right away after the number was read several times because Dave Veres elected to add to the suspense before drawing the winning ticket from his pocket to the tune of \$21.00.

Adjournment - The gavel came down at 8:25PM (I remembered to look at my watch this time)

## Camp Verde Tour

Montana sends many thanks to everyone who attended her Camp Verde Tour last weekend. She is very involved today in following the devastation from the massive Tinder Fire, as she owns a large home in the area, so I am passing on these thoughts for her. We are all hoping her beautiful Blue Ridge “cabin” will escape the burn.

She did a great job preparing for the tour, beginning with the delicious outdoor potluck and lots of visiting on Friday night. Around 30 people attended, so we all met new Model T and A lovers from several Arizona clubs.

Saturday morning all the cars followed along a mostly paved road with lots of hills, ending at a picnic table with a beautiful view of the Verde River at Beasley Flat RAP, where we ate a picnic lunch. Many people driving in the area stopped to admire the cars, all of which performed perfectly for the entire drive. We returned to Montana’s home for the afternoon, where everyone visited and toured her enormous garage filled with cars, parts, and memorabilia. Dinner was scheduled for us at Sutlers’ Steak House – everyone loves eating at Sutlers!!

Sunday morning a Model T/A Car Show was held in the parking lot at Haven House Senior Center. The residents and employees always enjoy the cars, and were able to vote for the winners. Montana won the award for wearing the best period outfit, Monte and Debbie Smith won for the best car, and Dave Chance won the

drawing. This was our second car show for Haven House.

Thanks to all - you made this a very memorable tour. Montana (& Marilyn)

1914 Touring for Sale...

1914 Touring, older restoration, Paint is excellent however there may be a ding or two as we have driven it several tours if they were guaranteed not to have any gravel roads! 1927 engine and transmission, Performance T High Compression Head, 290 touring cam, adjustable lifters, larger valves with harden eats, Texas T Distributor with Petronics Electronic Ignition, High Volume intake manifold, 12 volt alternator, battery, 12 modern coil ( no Model T coils), stock exhaust, brand new Brass Works flat tube radiator, Jack Rabbit clutch, Kevlar bands, small 1914 pedals, hand & foot accelerator, KC Warford Under/Overdrive transmission, Rebuilt

3.63 large drum rear end, Texas T Sure Stop Disc Brakes, 12 volt starter, New hickory wooden spokes and felloes wheels, New Universal 30X3.5 tires and tubes, Turn signals and brake lights, Halogen Bulb inserts in headlamps, Kerosene side and tail lanterns, All the brass is excellent, Carbide generator is disconnected, New top, Calf Leather diamond tuck seats, Maple Firewall, Original Speedometer, Wooden Steering Wheel, 5:1 ratio steering, rebuilt front end, four dipper pan.

This professionally rebuilt Model T started as a very solid 1914 Touring. I have the original rear end housing, double wishbone and aluminum non-starter hogs head. This car was built with performance, reliability and the beauty of an original Model T in mind. It will proudly stand up against any other Model T in a car show, except the disc brakes are hard to hide. It will not be left behind on a tour because of a hill or flat straight away. The best thing is it will STOP! If you are going to sit and look at a Model T in a museum, leave them stock. But if you plan to drive it at all, but brakes on them. Rocky Mountain Brakes are dangerous they will let you down right when you need them.

I had not installed the brakes in the photos. The Model T is located in Camdenton, Missouri. Asking \$23,900. Jeff Henry, Larry Hart and Bill Allen have seen it. Bill has ridden in it.

Thank you,
