FYI... On January 28, 1934, the first known ski tow in the U.S begins operation at Gilbert's Hill in Woodstock, VT. Dairy farmer Clint Gilbert rented his hillside for the entire season for \$10 to a group of pioneering skiers who jacked up a Model T Ford, removed one rear wheel, and rigged the other to drive a loop of rope around a spoked hub at the top of the hill. The "tow operator" sat in the driver's seat of the truck and gave her gas to propel the rope to pull the skiers uphill!

OK now folks!

It's that time of the year to get your dues paid!

We are putting together our Roster and our deadline is coming up in February.

It's a whoppin' \$20 for your whole family!

Just send it to Dave Veres our treasurer.

PRESIDENT'S MESSAGE

This is a great time of year for the EVMTFC. First, we have good "T" driving weather. Second, we have lots of fun things planned in February. Motoring through Time in Phoenix on the 6th, followed by a drive to Miami AZ for ice cream. Then on Feb. 27th we have the AJ Lost Dutchman Days Parade. Third, all of our winter T driving friends are here. The club is in full bloom for the next three or four months! Finally, we have four new club members. The club welcomes Colleen and Joe Davies,(from the Washington and British Columbia area) and Glenn and Dianne Colon from Apache Junction. Thanks for joining the club.

I would like to know how many lady Model T drivers we have in the club. I know this can't be just a mans driving sport. If you are one, let us know and tell us of some of your driving experiences.

While the ladies had their afternoon tea, the guys helped Austin get his 1925 Tudor running good again. I think it took 11 of us to get it done! See all the Tea and Clinic photos in the newsletter.

LOCAL CLUB EVENTS

Saturday the 23rd a handful of members met at Austin Graton's to see if we could figure out why the tudor was running so poorly. With a bunch of sparkplugs and timers tested, the consensus was the timer was the culprit! With a timer from somebodys bos of goodies the Tudor was back running a brisk high end! In fact, when Austin and Lynn led the tour on Monday to visit Howard in Gold Canyon we could hardly keep up with them! Thanks everyone! Clinics are such a great gathering of friends!

Ladies Tea ...

Saturday January 23 arrived with beautiful sunshine. The ladies started arriving at the Hart home about 1:30 wearing their lovely antique hats and carrying their tea cups. The tables were set with white linen table clothes, wonderful green and pink Depression glass dishes, candles and flowers. Each lady placed her tea cup at the table where she would sit for the party. They then picked up their name tag which were teacup fabric with their name embroidered on it. We had 19 ladies participate in this fun event.

Sandy welcomed everyone and then Lorna read a few tea tidbits and asked the blessing. She then explained what all of the courses were on the tiered racks on the table. Various teas were served in beautiful tea pots.

Our meal consisted of two kinds of scones, cucumber sandwiches, chicken salad sandwiches, strawberry-rhubarb tarts, lemon tarts, brownies, chocolate covered éclairs, shortbread cookies, chocolate-orange wafers, candy kisses with almonds, and fruit cup.

During the meal, Lorna asked each of the ladies to tell why they brought the teacup they brought for the day. Some were family heirlooms, some were picked up recently at antique stores or garage sales, and some just because the lady liked them. Some ladies shared a tea party memory they had when they were much younger. After the meal, ladies were asked to share what they brought for show and tell or tell us about their hobby. We had many quilts, Swedish weaving, painting, doilies, card making, a very unique mustache cup collection and antique Depression glass dishes to name a few. Some shared wonderful stories about their passions.

We had door prizes of a doily, note pad, tea cup, table runner and a plant in a large tea cup. Those attending were Kae Allen, Ruthann Elms, Marcia Taillefer, Cher Henry and her sister Donna, Lorna Jackson and her cousin Julie, Jan Peterson, Janice Smith, Laraine Forsell, Lynn Graton, Dolores Stolinski, Claudia Linney, Colleen Davies, Connie Einspahr, Susan Stone, Roselynn Urness, and Sandy Hart and her friend Wanda.

Plans are already forming for next year's party, so bring your teacup with you when you return in the fall. I want to thank the ladies that contributed food, door prizes and decorations, Cher Henry, her sister Donna, Lorna Jackson, Wanda Redekopp, Kae Allen, Lynn Graton and Sandy Hart

Tuesday January 26th..... "T Tour to visit Howard Downs"

A group of us met at John & Lorna Jacksons in AJ at 1pm and then headed down to Gold Canyon to visit Howard Downs. Howard and Daphene have been members of the EVMTC for years and recently Howard moved into an Assisted living home in GC. Howard was so excited to see us! And we had 7 Model T's! What a really wonderful treat for us as well! It was a perfect Arizona Winter afternoon to drive a T! We even loaded Howard and Daphene into a T for a ride around the neighborhood! Thanks for all that made it!

Austin & Lynn Graton, Larry & Sandy Hart, John & Lorna Jackson, Bill Allen, Steve Nissle, Jack & Laraine Forsell, Bob & Susan Stone and we even had a gentleman from Queen Valley drive out to meet us!

FOR SALE: 1923 Model T.

It has been garage kept since my father got his hands on it in 1975 and has lived in the New Mexico and Arizona dry climate and therefore doesn't have any rust. Truthfully, it hasn't been started in at

least 12 yrs. The crank still turns so the motor is not ceased up. I had a local gentlemen from Gilbert who has a shop working on these cars come take a look at her. His feedback was that the car was in good shape and wouldn't take much to get her on the road again. The car has been sitting on jack stands to help preserve the tires.

Asking \$8,000.
