Applications for membership in the EVMTFC may be printed from the website at evmtfc.com, or obtained from any current member or from the Vice President/Membership Chairman.

Newsletters: We e-mail our monthly newsletter, *Runningboard News*, which also can be viewed on our website. All articles, photos and information for the upcoming newsletter is due to the Editor by the 26th of the month.

Members Cars (Our T's):

Steve Nissle can take a photo of your T...contact Steve if you are interested.

Dave Veres can put a photo of your T on our website. Send him a photo of your T.

MTFCA (Model T Ford Club of America): The EVMTFC is affiliated with, and is a chapter of, the MTFCA, a national and international organization. Membership is strongly encouraged. As a chapter of the MTFCA, at least 50% of our members must be members of the national club to keep our free liability insurance. Our club is doing very well in this regard, as almost all of our members belong to the national club.

Membership in the MTFCA includes all the privileges of the Club, including six issues of the *Vintage Ford* and one voting ballot per member-family for election of the Club's Board of Directors. Annual dues are \$40. Lifetime Memberships are available. Payment may be made by check, credit card or PayPal.

Are your MTFCA dues paid up? If your MTFCA member number is not listed on the roster, please call the President or the Treasurer with the number. The number is shown on your mailing label when you receive your *Vintage Ford* magazine.

General meeting minutes as recorded by Marcia Taillefer. Thank you Marcia for filling-in for Kae Allen!

East Valley Model T Ford Club/ General Meeting Minutes for 9/25/19
Submitted by Marcia Taillefer in Secretary Kae Allen's absence.

The meeting opened at 7pm with President Ken Henry greeting the members in attendance and leading the Pledge of Allegiance.
There were 26 members present.

The club would like to thank Bill and Kae Allen, Lynn and Austin Graton and Cheryl and Jim Hartzler for hosting the summer monthly breakfasts.
The turn-out was high for each event and everyone who attended had a great time.

It was announced that we have new members in the club:
Bryan and Noreen Coussens from Gilbert, AZ
Dale Lehman from Fountain Hills, AZ
Daryl Drumwright and Darleen from Phoenix, AZ
2019 Club membership is now at 63 families.

Daryl Drumwright was in attendance and introduced himself to the club. One of his vehicles is a 1915 Model T Fire Truck that he is anxious to get running better with the help of our club's expertise. We all look forward to seeing it as well!

Bryan Coussens was also present and has his car here as well. He also stated that it needs a little work.

Dave Veres announced that he had brought some recipes and cookbooks to the meeting and welcomed people to peruse the collection and take what they would like.

President Ken Henry has renewed our contract with the City of Mesa and we will continue to meet at the current facility free of charge for another year. Thank you, Ken!

The Club Newsletter will be active again. Steve Nissle is looking for items of interest for the newsletter from club members.

President Ken Henry would like to see manifold recipes submitted. All recipes are welcome and people are encouraged to pull out their family favorites and submit for publication as well.

Photos and stories of summer adventures and tour activities would be welcome and we are always looking for individuals to write their story in "A Man and His T" article.

Dick Rash spoke about the Canada (Can-Am) tour and it was suggested that he put together a presentation for the club. There was much interest in this, so we hope that will happen.

Jan Peterson handed out event plaques and birthday cards for this month.

Upcoming events were discussed.

Our Ice Cream Flings resume beginning October 6th. Tom Hoverson suggested Andy's Frozen Custard at Greenfield and Southern. Club members were in agreement. Ken Henry will send out emails with details to the event.

The October General Meeting will be held on the 23rd of the month.

October 26th is the Usery Pass Park Picnic. The ramada is reserved from 10am to 1pm thanks to Tom Hoverson. There is a seven dollar admission fee per carload to enter the park. The club will provide brats, hamburgers and fixings along with drinks. Side dishes and desserts are welcomed additions from any families who would like to contribute. Entertainment was discussed, but it was felt that we entertained ourselves pretty well and would forgo any outside entertainers. The usual games will be available including horse shoes, bean bag and skillet tosses.

If you would like to volunteer to help shop for food, do prep and set up work or cook, please let Ken Henry know.

The October silent movie at the Orpheum Theatre will be "The Hunchback of Notre Dame". If you don't have tickets yet but would like to attend, please contact Ken Henry. The exact date wasn't known, but it will be toward the end of the month.

The Veteran's Day Parade will be November 11th. Ken Henry has signed the club up as participants. Attendees will meet for lunch after the parade. Mimi's used to be the restaurant of choice, but the location has closed. A new restaurant needs to be selected.

The November General meeting falls on the 27th. This is the night before Thanksgiving so the meeting has been moved to the 13th of November.

The Christmas Party will need to be planned at this meeting. December 13th has been set as a tentative date for the party.

December 7th will be the Apache Junction Holiday Lights Parade.

The Model T Ford Club International annual meeting will be held January 17th and 18th at the Crown Plaza Airport Hotel. Details are available on the MTFCI website.

Upcoming tour ideas were discussed. Some suggestions included Frank Lloyd Wright's Taliesin West, The Mystery Castle, The Fire Truck Museum, and The Peterson House

to name a few. Tom Hoverson will compile a list. Please send your suggestions to him for consideration.

A new president and a new secretary will be elected at the December Meeting. Interested parties should contact a board member.

Old Business includes a change to the by-laws and the purchase of a portable sound system for the club. Old Business was tabled until meeting attendance is higher.

New Business: Club Shirts. A list was passed out to members to get an idea of interest for styles and quantities. Once it's determined what people want, the club will move forward with pricing.

A Clinic was requested by Daryl Drumwright for his Model T Fire truck and is scheduled for October 5th at 9am. Ken Henry will send out an email with location details.

The 50/50 drawing was won by a very excited Cheryl Hartzler who took home a \$25.00 prize.

Many thanks to Dave Veres, Jan and John Peterson, Tom Hoverson and Chris Tulipana for providing an amazing, delicious spread! The members enjoyed sloppy joes, devilled eggs, chips, pickles, cheeses, two types of brownies and drinks.

A motion to adjourn was made and seconded at 8:41pm.

I would recommend someone in the each group take charge and coordinate with the others on what to bring (maybe the first person on the list is the coordinator).

Let me know if I have missed anyone. I know there may be a month you will not be available, just let me know and we will make an adjustment.

Ken Henry

It Happened Last Summer

You may or may not recall my story a couple of years ago about "one door". I was researching the origins of my 1928 Chevrolet a few years ago and went back to the place I bought it in 1953. They had no more documentation, but did have one door for the truck they found in the barn and gave it to me. They had lived there for probably 30 years or more.

Now that I have finished the restoration, and was going back to visit family and friends. As a thank you gesture, I decided to present a framed picture of the finished truck to the folks who gave me the door.

As I approached their house on the day I decided to take the picture over to them, I noticed something unusual. Normally there only one or two cars in their driveway at the most. This day there were six cars in the yard, some in the drive, some on the grass. and one pickup in front of the barn packed full of items including a bunch of trash bags. More unusual yet, the barn door was open and items stacked just inside the door.

As they were an elderly couple, my mind began to race, wondering if they may have passed away or sold the place or whatever else may have happened. As I walked up the driveway and approached the door, I saw some boards on a table and a circular saw beside them. That just reinforced my concern for what may have happened. I knocked on the door and the wife came to the door, I was relieved. When I presented the picture to them, they explained that their son and grandson were there helping do some remodeling. The grandson was also helping clean out the barn, hence the loaded pickup in front of it. During his cleanout efforts that day, he had discovered another door to the 1928 Chevy truck. The door is in great shape as it has been stored inside that barn all these years. They gave me the door. I could hardly believe my luck. Things like this just don't happen. Sometimes a good deed gets rewarded!!

Culvers Breakfast on June 15!

August Breakfast!

Club Clinic at George Elms!

And that's a wrap boys!

DADGUM GOOD SAUSAGE W/ ONIONS AND PEPPERS

2-3 bags of frozen onions & peppers
1-2 pkgs of smoked sausage (or cajun or any kind you prefer)
1 browning bag (*by all means use a crock-pot cooking bag. Saves clean-up!*)
If desired season to taste with garlic salt or powder.

Line manifold cooker with HD aluminum foil.
Put frozen onions & peppers in browning bag 1st - then add sausage (sliced or whole of bun size)
Season - Seal Bag and put in cooker.

NOW hop into your "T" for a nice 70 mile spin.
After about 12 miles you'll begin to smell it and if you weren't hungry when you started, you will be when you finish!

YUM - YUM - YUM!!!!

Got any other recipies?

From another t club posting...

"My son and I have cookers and enjoy making a blueberry topping for ice cream during one evening on our annual club tour. We made the sauce and loaded it into the cookers for about a 15 mile ride. During the ride my son signaled he needed gas and pulled into a station. While gassing up he decided to check the cooker on his car. An older guy at the station was interested in the car and looked into the engine compartment and noticed the cooker. He asked what it was. My son answered, they are blueberries. The old guy said, "you mean this car runs on blueberries?". My son didn't respond but closed the hood and drove off. I just left the guy hanging on the blueberry story!
