### Presidents Message October 31, 2021

It was good to be back in our meeting room and be able to greet everyone. I am pleased that we are able to gather and function as a club. We did try to make the best of the shut down by having some gatherings outside and being able to social distance. Thank you for your support during this extremely difficult times.

We have several fun activities planned for the coming months and hope you will be able to join us for one or more of these events. Watch for emails and the newsletter for details.

At the last meeting it was decided to make a donation to Turning a New Leaf in Mesa as our charity. Members are encouraged to make a donation in the box at our Christmas party. If we do not collect enough be these donations, the club will make up the difference to make our gift at least \$300.00.

Looking forward to seeing our winter visitors as they will soon be arriving.

Keep those Model T's on the road and show everyone how much fun we can have.

Minutes of the October 27, 2021, Meeting of the  
East Valley Model T Ford Club

By Jan Peterson

The meeting was opened by President Sandy Hart at 7:01 p.m. at the Mesa Utilities meeting room on Mesa Drive, Mesa, followed by the Pledge of Allegiance. New members Ray and Nancy Moore were introduced; they are from the Seattle area and own a 1914 Model T speedster and a Model A. Although he was not in attendance tonight, Jeremy Wells, another new member, was mentioned. There were no guests.

Dave Veres gave the treasurer's report. There will be a \$30 fee for the Usery Park picnic. Dave is also collecting next year's dues.

The minutes of the last meeting were approved as published.

Under Health and Welfare, Jan announced that she had sent a sympathy card to Diane Conlon and included a wish for Diane's recent surgery's swift recovery. Jan also has dash plaques ready to hand out, as well as a sheet used to display them, if desired.

Concerning old business, the October 3 ice cream fling had 19 members plus 3 guests. The Fall Extravaganza at Harrah Ah Chia was attended by a few members, notably these three: Bill Arnold, who had great difficulty getting to it because of traffic, Ken Henry, and David Ker, who mentioned that there were about 12 or more vendors.

Under new business—

The Usery Park pavilion has been rented. We will be next to the horseshoe pits. Be prepared to pay a fee of \$7.00 per car at the gate. The chuck wagon will be there. For activities, we will have a skillet toss and possibly a corn hole challenge. It was suggested we have 9 prizes give 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> prizes; the group agreed to have the club donate \$50 on the prizes. Hamburgers and brats will be provided, so we need side dishes, condiments, and desserts. A sign-up sheet was passed around. We may bring guests. Bring folding chairs because the ones in the pavilions are immovable. Sandy will send us more information.

Because of other activities near the first Sunday of the month, the November ice cream fling was changed to Nov. 21. The location will be Handel's, a popular place we enjoyed in April of this year.

The Veterans' Day parade in Mesa, Nov. 11: meet at the Food City parking lot on the southwest corner of Brown and Mesa Drive in Mesa. About four people volunteered to attend it. More details will follow, including a more specific identification of the location.

Our next meeting date will be changed to avoid being too close to Thanksgiving. It will be on Monday, November 15 at 7 p.m. here at the Mesa Utilities location. Ken is our current negotiator regarding our meeting date and site at Mesa Utilities, and Dave will join him in the negotiating committee. Ken said that now is the time to change the week or day of the week; we will have a set date next year.

Saturday, Nov. 20, is the Canyon Winds Independent Living Car Show, sponsored by Steve Nissle. It will be at McDowell and the 202 freeway from 10 a.m. to 1 p.m., lunch included, no charge. He needs 40 cars. Steve passed around a brochure regarding it.

The Apache Junction light parade is scheduled for Dec. 4. The pot luck before the parade will be at the home of Bill and Kae Allen starting at 3:00 or 3:30 p.m. We need to gather at Allens' house before the parade. We will receive more information later.

Dec. 5 is the date for the final ice cream fling of the year.

December 10 is the date for our Christmas party. Discussion ensued about where to have it and whether we should have a caterer, a pot luck, or a restaurant meal. We have a room tentatively reserved at the resort at 5735 E. McDowell Road. Black Bear was mentioned as a caterer. Sandy will work with Tom and get a caterer. At that party we will elect a new president and secretary. We are now looking for nominations for the Bob Wildman Award and want them by November 15 so that the award can be prepared for the person selected. Steve Nissle read from our website the purpose and background of the Bob Wildman award.

Dave Veres described a charity headquartered in Mesa he had researched called A New Leaf. It is similar to Save the Family, the last charity we supported. We voted to support A New Leaf by having club members donate the amount they want at the Christmas dinner party, and the club will supplement the rest if the total is less than \$300.00.

We stopped for a break and enjoyed a fabulous feast provided by Joe and Colleen Davies, Ray and Nancy Moore, and David Ker. It served as this writer's supper and included healthful and yummy choices of food. Thank you!

Refreshments for the November 15 meeting will be brought by Steve and Marilyn Francois, Diane and Glenn Conlon, and Steve Nissle.

After the break Dave announced that members bought \$93 worth of 50-50 raffle tickets. The lucky winner of half of that amount turned out to be Steve Nissle.

The last item of business was a suggestion by Jan Peterson to try the Sugar Bowl in Old Town Scottsdale for an ice cream fling. She passed around a menu and described the history and 50's style décor there. It was decided to go there for the January fling.

The meeting adjourned at 8:15 p.m.

Respectfully submitted,

Jan Peterson, Acting Secretary

Why do we look for someone to grow old with,  
While the secret is to find someone to stay a child with!  
What does Love mean to 4-8 year old kids?

A group of professional people posed this question to a group of 4 to 8 year-olds, 'What does love mean?'  
The answers they got were broader, deeper, and more profound than anyone could have ever imagined!

'When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore... So my grandfather does it for her all the time, even when his hands got arthritis too. That's love.' Rebecca - age 8

'When someone loves you, the way they say your name is different. You just know that your name is safe in their mouth.' Billy - age 4

'Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other.' Karl - age 5

'Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs.'

Chrissy - age 6

'Love is what makes you smile when you're tired.' Terri - age 4

'Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK.' Danny - age 8

'Love is what's in the room with you at Christmas if you stop opening presents and just listen.' Bobby - age 7 (Wow!)

'If you want to learn to love better, you should start with someone who you hate.' Nikka - age 6 (we need a few million more Nikka's on this planet)

'Love is when you tell a guy you like his shirt, then he wears it every day.' Noelle - age 7

'Love is like a little old woman and a little old man who are still friends even after they know each other so well.' Tommy - age 6

'During my piano recital, I was on a stage and I was scared. I looked at all the people watching me and saw my daddy waving and smiling. He was the only one doing that. I wasn't scared anymore.' Cindy - age 8

'My mommy loves me more than anybody. You don't see anyone else kissing me to sleep at night.' Clare - age 6

'Love is when Mommy gives Daddy the best piece of chicken.' Elaine - age 5

'Love is when Mommy sees Daddy smelly and sweaty and still says he is handsomer than Robert Redford.' Chris - age 7

'Love is when your puppy licks your face even after you left him alone all day.' Mary Ann - age 4

'I know my older sister loves me because she gives me all her old clothes and has to go out and buy new ones.' Lauren - age 4

'When you love somebody, your eyelashes go up and down and little stars come out of you.' (what an image!) Karen - age 7

'Love is when Mommy sees Daddy on the toilet and she doesn't think it's gross...' Mark - age 6

'You really shouldn't say 'I love you' unless you mean it. But if you mean it, you should say it a lot. People forget.' Jessica - age 8

And the final one: The winner was a four year old child whose next door neighbor was an elderly gentleman who had recently lost his wife. Upon seeing the man cry, the little boy went into the old gentleman's yard, climbed onto his lap, and just sat there. When his mother asked what he had said to the neighbor, the little boy said, 'Nothing, I just helped him cry.'

Did you hear Julie Andrews will no longer endorse cheap lipstick? It crumbles easily and makes her breath smell. She explained, "The super colour fragile lipstick gives me halitosis."

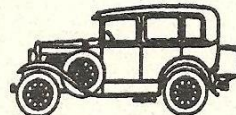

Sybil was born in 1924! The same year as my model T! Here we are giving her a ride!
