

OFFICIAL PUBLICATION OF THE EAST VALLEY MODEL T FORD CLUB
DECEMBER 2004

Volume 1 Issue 8

PRESIDENT'S MESSAGE

By Steve Linney

Merry Christmas and Happy New Year!!! The 2004 year is fast drawing to a close. It flew by faster than a Model T in high gear at full throttle. I hope you all had a great year.

Our goal for 2005 is to grow the club both in numbers and member participation, and HAVE FUN!! In this regard, please be thinking of things you would like to have our club do in 2005. Bring your ideas to the Christmas Party.

Speaking of the Christmas Party, it will be on December 18 at the Linney's home. Linney's will provide meats for the barbecue as well as drinks. Please bring a side dish – snacks, desserts, salads, veggies, etc. We will have great food and conversation, so please plan to attend. It is appropriate to come in Christmas or period clothing if you like and please drive your old car – even if not a Model T. Plan to arrive about 12 Noon. We will do a joke gift exchange. Please limit the value to \$5.00.

According to our by-laws, two positions on the board are up for election this year. Cheryl Wood and John Peterson have volunteered to serve. Anyone else that would like to serve needs to notify Steve Linney by the Christmas party.

REFRESHMENTS

JANUARY

Austin and Lynn Graton

Chandler Olde Towne/ Railroad Museum by
Lizzie Jane Peterson as told to Jan Peterson

Wow! Two weekends in a row for an outing! This time, on October 23, 2004, the young'ns led me to an older area of a new, bustling city. I enjoyed the fresh air and tried out my new shoe while exuding my Attar of Oil perfume, which my people, weird as they are, did not seem to enjoy. Oh, well. Joining us were Lickety-Split Linney and Classy Oval Stolinski. The humans were **Steve, Claudia, Jessica, and Stephanie Linney and girlfriend; Delores and Ed Stolinski; Ingrid and Mike Herr; and John and Jan Peterson.** Where were the rest of you?

It seems that Chandler Square businesses start late because the winery wasn't open until the time the humans needed to eat. For them there were a variety of eateries; they chose to go *en masse* to a Mexican restaurant.

The main focus of the tour was a trip to the Railroad Museum. By that time the group had dwindled to six, and only four actually walked through two 1800's private cars and the caboose.

On the way home the same four enjoyed a visit to Merchant's Square antique store. They claimed there were a lot of treasures there. My driver came home with Edison disc records, which he uses at home to serenade me.

What Happened in the Year of Your Car, Part 3 by Jan Peterson, Historian

The year of one's collector car is rich with nostalgia. If you place your car into the context of it's era, you can see it come to life again and imagine yourself living in that year, enjoying your

new car. That is why I have written articles supplying the club members with such memorabilia as the politicians, events, statistics, films, plays, sports, literature, music, and famous people born in that year. This time I have information on **1919** and **1922**, which should be of interest to some of you. By the way, if you come across cultural and historical details about years I haven't covered, please send them to me so that I can write an article.

December Event/Meeting

Date: December 18, Christmas Party

Time: 12 Noon

Place: Linney's Home

2520 E. Pueblo Ave., Mesa, AZ

On November 11 we had four cars participating in the Mesa Veterans' Day Parade. We had a small number in attendance, but we had a good time.

John & Jan Peterson and the Linneys' drove Model Ts'. Guest cars were Model As' driven by Albert Nichols and Dennis Smith. Our entry number was 37 so the parade was a great success.

The sun was out, the weather was great, the crowd was large and happy to see the cars. People were yelling out for us to honk our horns as we zig-zagged down Main Street to Center Street and then off we went to home.
