President's message September 2022

Summer is coming to a close and winter visitors will soon be arriving back in the East Valley. I hope everyone has had a great summer and that you have lots of memories to share. Larry and I have enjoyed our time in Washington by spending time with our family and welcoming a new great grandson to the family. We spent Labor Day weekend camping with our son's and their families. Our three great grandchildren were the center of attention. We enjoyed a boat ride, going to see a movie in the park, sitting around the campfire and great meals with friends and family.

Please share your summer activities with us by sending message to Cher and Ken at Ken_cher@cox.net. It can be about a model T tour, a trip you made or spending time with family and friends.

Thank you to our hosts Tom Hoverson and Chris Tulipano for June, Dale Guenther and Marcia Taillefer for July and Joe Fellin and Bernice Young and Glenn and Diane Conlon for August breakfasts. I understand there were about 18-20 at each event.

Coming up next will be Ice cream at Cold Stone Creamery and picnic at Usery Park. Details will be sent out soon.

Looking forward to seeing everyone soon.

REMINDER..DUES ARE Still Just \$20

Summer Clinics

Clinic at Fred Camarena- Over the summer Jeff and Ken Henry visited Fred a few times to replace new Model T wheels on his 1924 Dr. Coupe. Fred sent his rims out to Dave Seiler to get new spokes installed. Dave does an excellent job! On our last visit we started Fred's Model T and gave him a driving refresher course. One more clinic will be needed to replace the timer on Fred's car.

Clinic at Steve Linney's – Two visits were needed to change out Steve's Model A engine. Thanks to Jeff Henry, Glen Conlon and Tom Hoverson for helping Steve and Wyatt. Job well done! Sorry no pictures.

Looking for a New Job Situation

By Lizzie Jane Peterson

My current employers seem to be slowing down and considering a simpler life. I still feel rather chipper at 98 years, but my employers seem to be in decline at 85 and 80. It looks as if humans do not have the love of life and stamina of us Model T's. After 36 years of loyal servitude it seems that I would have taught them a thing or two!

Here is a short account of my life history. I was born in the Los Angeles assembly plant in 1924 and spent my early years commuting into downtown San Diego. My owner at the time put me in the same bor-r-r-ring parking garage every day. He kept this fresh in my mind by dropping the parking slips down in my rear window channel—hundreds of them!

Later I served as a “Go For” car for a California Ford dealer. They liked somewhat dowdy older gals like me to show the reliability of their Ford products. When they no longer needed my services, I was sent to a sheltered back corner, safe from the elements and scrap metal enthusiasts. Many thanks.

I came out of hibernation in the mid-1960s and spent some time in California and then moved to Arizona in the 1970s. I eventually came to work for the Petersons in the mid-1980s. They just put me to work—no fancy restoration. We went touring most every month. I did have some early failings, and we were the proud possessors of the Hard Luck Trophy for most of the first year.

Over the years Petersons have rewarded me with some nice benefits such as a shiny new old stock ring and pinion gear set, fresh babbbit, and recently a new interior. I am still holding onto all of my original wood—**very solid**—my original top, and pin striping. I have not seen a Trouble Trailer in over 25 years.

I would like to stay but have not been getting much exercise lately. I do not want to turn into a “Barn Find” again. It may be about time to pack up my “Model T Parking Only” sign and move on.

I don't want to toot my horn (a-oo-ga), but I am rather versatile—one might even say a renaissance gal. These clips might highlight some of my abilities. I can be a comfortable touring coach, a dinning coach, a sleeper, a luggage car and a roadside service vehicle. I am proud to keep up the Model T tradition.

I have a very nice picnic basket

I have a very nice Manifold Cooker

I have a luggage Rack to carry all my overnight things!

1924 Tudor for sale. Very nice driver! Call John Peterson [480 969-0695](tel:4809690695)

John also has a nice open trailer for sale.
