President's message October 2022

Fall is in the air and temperatures are finally going down. Great days of 70' and 80's. We have finally stopped traveling and are now back for the winter. We just completed a tour in New Mexico. (See article in the newsletter).

Thank you Tom for filling in for me at the September and October meetings. Our calendar is starting to fill up with some fun activities. Our annual picnic is this weekend at Usery Park. Coming up in November will be Veteran's Day Parade in Mesa, car shows, ice cream, a charity event in Gilbert which is requesting a couple of cars for pictures. They are having a 20's theme and guests will be dressed in vintage clothing. Then Thanksgiving will be here. Come out and join the fun at one of our events.

REMINDER..DUES ARE Still Just \$20

General Meeting Minutes Submitted by: Janine Rohde

Meeting was called to order by Tom Hoverson at 7:02 p.m. at the Mesa Utilities Building Community Room at 640 N. Mesa Drive, Mesa AZ. We all stood and recited the Pledge of Allegiance. There were 20 members and guests in attendance.

Reading of the minutes: The minutes from the September meeting were read. Marsha made a motion to approve the minutes as read. Dave 2nd it, and the motion passed. The minutes for the September meeting were approved as published.

Vice President's Report: Tom Hoverson no new members

Treasurer's Report: Dave Veres. Waiting for some money for shirts sold.

Health and Welfare Report:

Hospitality report: Jan Peterson has some vintage clothing for use with T's. They will be selling their car soon as they are moving to friendship village.

Newsletter: The latest one is out. Looking for stories and trips/pictures with you in your Model-T. Get your stories and pictures to Cher Henry.

Old Business:

Ice cream destinations: November 6th are being worked on. Some suggestions were made. A decision wasn't reached.

Usery park Picnic: Tom Hoverson will bring his grill. The chuck wagon won't be there since there is a conflict with the person that stores it, unless someone wants to pick it up and bring it. We are looking for the horseshoe set. Might be in the chuckwagon? Cast iron pan toss, bocce, and other interactive games like cornhole would be fun.

Paper goods are needed, since they are in the chuck wagon. Its not worth driving to the chuck wagon to get them.

Toronto Tour

While attending out Ontario Tour we were surprised to see our good friend Dave and Kathy (and another couple from Sun Country).

Joe learned, that the Ford Tri-Motor that was being restored, was not like the one he flew in as a teenager, but that was that very plane. More surprises!

Visit to Gilmore Car Museum

On one of our desired places to see while on our summer trip East was at the Gilmore Car Museum in Michigan, and we were not disappointed in their 400 plus classic vehicles and displays in various buildings. A must see place for car enthusiasts to visit.

The "Michigan Jamboree of T's " of over 90 cars made a stop there while Joe and I were present. ! Unexpectedly Dave and Kathy McAlpin were with this group. SURPRISE!! Small world.

Learning that we had our T in tow, they invited us to join in their tour. We did and enjoyed 2 days off enjoying wonderful countryside, markets, Amish Luncheon, Gardens ,HOV-AIRE where they are restoring 3 Ford Tri-motors and finished with a delicious Farewell Banquet A much enjoyed bonus time with Dave and Kathy and meeting new friends.

Thank you, Joe & Coleen Davies, and Dave & Kathy McAlpin, for sharing your summer fun!

Looking for a New Job Situation

By Lizzie Jane Peterson

My current employers seem to be slowing down and considering a simpler life. I still feel rather chipper at 98 years, but my employers seem to be in decline at 85 and 80. It looks as if humans do not have the love of life and stamina of us Model T's. After 36 years of loyal servitude it seems that I would have taught them a thing or two!

Here is a short account of my life history. I was born in the Los Angeles assembly plant in 1924 and spent my early years commuting into downtown San Diego. My owner at the time put me in the same bor-r-r-ring parking garage every day. He kept this fresh in my mind by dropping the parking slips down in my rear window channel—hundreds of them!

Later I served as a “Go For” car for a California Ford dealer. They liked somewhat dowdy older gals like me to show the reliability of their Ford products. When they no longer needed my services, I was sent to a sheltered back corner, safe from the elements and scrap metal enthusiasts. Many thanks.

I came out of hibernation in the mid-1960s and spent some time in California and then moved to Arizona in the 1970s. I eventually came to work for the Petersons in the mid-1980s. They just put me to work—no fancy restoration. We went touring most every month. I did have some early failings, and we were the proud possessors of the Hard Luck Trophy for most of the first year.

Over the years Petersons have rewarded me with some nice benefits such as a shiny new old stock ring and pinion gear set, fresh babbbit, and recently a new interior. I am still holding onto all of my original wood—**very solid**—my original top, and pin striping. I have not seen a Trouble Trailer in over 25 years.

I would like to stay but have not been getting much exercise lately. I do not want to turn into a “Barn Find” again. It may be about time to pack up my “Model T Parking Only” sign and move on.

I don't want to toot my horn (a-oo-ga), but I am rather versatile—one might even say a renaissance gal. These clips might highlight some of my abilities. I can be a comfortable touring coach, a dinning coach, a sleeper, a luggage car and a roadside service vehicle. I am proud to keep up the Model T tradition.

I have a very nice picnic basket

I have a very nice Manifold Cooker

I have a luggage Rack to carry all my overnight things!
