### President's Message

I would like to wish everyone a Merry Christmas and Happy New Year 2023.

We have had a very active 2022. We had many ice cream socials; our Ladies Tea and Gentlemen's brats were well attended. Then we had lost Dutchman parade, poker run and lunch. We enjoyed picnics, breakfast's, meetings, veteran's day parade which we won plaque for best motorized vehicle, car shows and to end the year a great Christmas party. Thank you to Kathy McAlpin for helping with the shopping. Joe and Bernice and Dave and Kathy for helping decorate and hand out gifts. I am very pleased to report that we raised \$2466 for the Genesis Project. Good job everyone!

I am honored that I was selected to be the recipient of the Bob Wilder award. I would like to thank everyone that made this possible for me. I have enjoyed being a part of our club and doing what I can to make it enjoyable for others.

Congratulations Tom Hoverson as Vice President and Dave Veres as Treasurer for being re-elected to an additional 2-year term. We appreciate your willingness to serve.

Looking forward to 2023 and some new adventures. Our calendar for January and February is filling up with some special activities. Hope to see you at one of our activities.

Thank you, Dave what a cool Model A!

And then there is this yellow car! Dave Veres and Bill Alen have been trading this yellow car back and forth for years, Dave, just weeks before the Christmas Party mailed it to Bill in New Hampshire. Well, somehow Bill was able to get it to Sandy to present to Dave as a surprise for this year's Christmas Party. I know he never expected it back so soon! What fun!

## EVMTFC Charity for 2022

Each year the East Valley Model T Ford Club selects a charity for a donation. This year's charity selected was the Genesis Project located in Apache Junction AZ. The Genesis Project is a 501©3 faith based nonprofit soup kitchen. Their mission is to feed, clothe and hydrate the hungry and homeless. The club members donated \$ 2,466. The cash donations were converted to a check and presented to Trinity Cole of the Genesis Project on 12/19/2022. Thank, you Dave and Becky for delivering this donation before Christmas.

### Model T Ride-Along

A few days after the EVMTFC participation in the Mesa Veterans Day Parade, we received an email from someone requesting a ride in a Model T. A young man named Dillon, blind since birth, was at the parade and heard the distinct sound of our Model Ts. He asked his friend if it would be possible to ever ride in a Model T. His friend Janet looked us up on our web site and sent an email request, asking if it would be possible for someone to give Dillon a ride. We responded to the email and set a time to visit Dillon. Dillon is an amazing young man. He has been in love with Model Ts for a long time. He researches Model Ts, by listing to YouTube videos. He knew everything from the size of the engine to the size of the tires, buzz coils, hand throttle and spark advance. As I walked him around my 1915 Model T, he recognized everything from the magneto headlights to the side coach lights and the spare tire. After listening to the buzz coils, we started the Model T and gave him and his friend Janet a ride. What an uplifting experience it was for Jeff and me. We enjoyed it as much as Dillon!

Ken Henry

This was a Fun day!
