President's Message

January with its cold temperatures is coming to a close. The forecast for February appears to see some warmer temperatures. We have had some fun activities in January including our monthly ice cream which we held at Joe's Italian Ice, our monthly meeting, and the Ladies Tea and Gentlemen's Brat party.

The Tea and Brats party had a smaller number of people than in past years but we still had a great time. The ladies enjoyed an assortment of scones, quiche, sandwiches, tarts and cookies along with tea. It was fun to hear all the stories the ladies shared about past vacations throughout our lives. Many of the vacations were to visit family and friends, some were foreign countries, trips in the US and some special tours. Thank you to Bernice for cucumber sandwiches, Cher for Chicken Salad Sandwiches, Marcia for almond cookies and Colleen for Russian Tea Cakes cookies. It was so nice to have Lorna Jackson back with us this year and I especially enjoyed all of the help she gave me in preparation.

The men had brats and potluck food consisting of beans, scalloped potatoes, potato salad and other items. I am told the men had a great time sharing stories about cars and other men things. John Jackson said he was glad to see so many of his friends.

Again, thank you everyone for providing food, friendship and your attendance.

We could not do this without each of you.

I am looking forward to our activities scheduled for February. Come and be a part of our events. You never know what you might miss.

REMINDER..DUES ARE Still Just \$20
