It is hard to believe that September is almost over. I hope everyone had a fun and relaxing summer. Would love to hear what each of you did this summer. Please take a few minutes to share your trips, tours or activities near home. Please send to me or to Ken at ken_cher@cox.net.

We filled our days with many activities. Larry spent a lot of time on the tractor mowing the fields that we contract to take care of during the summer months. He also worked on our 1924 model T getting it ready for a 12 day tour, unfortunately he had a problem and we had to cancel our part in the tour. He will get back to working on it when we get to Arizona. I am still in process of downsizing and getting our things out of storage. I had a couple of yard sales trying to get rid of more. I donated a lot to a local charity. Still have some collectibles to sell.

We spent a lot of time with family including our annual Labor Day camp out with all of the family. Our granddaughter traveled from Arizona and grandson came from Colorado. The other two grandchildren live close by. We took the opportunity to have some family pictures taken. Some with a John Deere tractor.

We are looking forward to our return to Arizona and seeing all of you. I sent email couple of weeks ago giving a heads up for future activities. Some include Veterans Day parade, Christmas parade, picnic at Usery park, ice cream and meetings. Watch for these events as they are always fun.

Looking ahead, in December we will be electing a new president and secretary. I have served four years and it is time to pass the gavel. If you are interested in either of these offices I, please let me know.

Hello from the Hart Family

The Veterans Day Parade will be on November 11th. The Blue Agave Grill and Crackers & Co Cafe are on the table for lunch following the parade.

Dave Ker announced that this year's 2nd Annual Roundup at The Tin Lizzy Ranch (Dave's home) is scheduled for February 10th of 2024.

Glenn and Diane Conlin shared a print of a Model T sketch they received as a thank you gift from a 16-year-old visitor from Iowa. She is the niece of one of Diane's former co-workers. The sketch was in charcoal and was very nicely done! We've asked Glenn and Diane to share more of this story in the next newsletter.
